

**SHROPSHIRE ORNITHOLOGICAL SOCIETY
TRUSTEES REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2020**

The Trustees of Shropshire Ornithological Society (Registered Charity No. 514487) present their Report together with the Accounts (Page 1 attached) for the year ended 31st December 2020. Shropshire Ornithological Society (SOS) has been dormant (except maintaining a membership database) since 2005 following the formation at the end of 2004 of the incorporated and registered successor charity Shropshire Ornithological Society 2005 (SOS 2005) at which point all of the assets and activities were transferred from SOS to SOS 2005.

Following the withdrawal in 2019 of Shropshire Wildlife Trust, SOS has taken over the role of sponsor to "Save our Curlews Campaign" (SoC) and has launched an Appeal in support of the Campaign. These Accounts detail the results of that Appeal.

Unfortunately due to the Covid 19 pandemic the activities of SoC have had to be curtailed and in consequence all funds raised in the year are being carried forward for action in future years. SoC is being monitored and the conduct of the Appeal approved by a Sub-Committee comprising Messrs. Arnfield, Andrews and Walker.

Principal Object

To encourage the study and protection of birds in Shropshire and co-operate in such matters with national and local bodies, education authorities and others.

Activities

All of the Assets and Activities of SOS were transferred on 1st January 2006 to SOS 2005. Income received or expenses incurred subsequently have been transferred and are accounted for by that Charity. In 2020 SOS assumed the sponsorship of "Save our Curlews Campaign" (SoC) and launched an Appeal in support of SoC.

Results for the year

The Accounts detail the results of the Appeal launched in support of SoC.
