Send records of sightings to the County Bird Recorder for inclusion in the Quarterly Bird Notes and Annual Shropshire Bird Report.

Help with field work for local and national surveys.

Reserves

SOS owns and manages Venus Pool at Cross Houses-an important wetland site. It is also involved in the management of several sites in the County to ensure that they remain excellent bird habitat.

Permits are available to members to other restricted sites in the County

Publications

A quarterly Bulletin ("The Buzzard") is sent free to all members by post or email with full details of all activities and the Bird Notes. Members also get a copy of the Annual Bird Report on publication which includes the results of bird ringing and other studies.
